Dear Terry and Oleg,

On behalf of the ORMACO Board of Trustees, we want to thank you for an outstanding residency from November 2-7, 2015. During the week, your school and library outreach programs and community concert touched about 3,200 people in Medina, Lorain, Stark and Ashland Counties.

People are still talking about your workshops! In today's economic climate where schools are slashing funding for the arts, ORMACO prides itself in filling the gap by making music, arts and culture accessible to all, with a focus on underserved, disadvantaged and rural populations.

You certainly had an impact on those who experienced your fantastic talent. Your workshops and concert were not only entertaining, but also educational.

We look forward to collaborating with you in the near future.

Very best regards,

Thomas Sigel  
Executive Director
