Dear Oleg and Terry,

What a joy it was to have Russian Duo as part of our Sanctuary Series at High Street United Methodist Church this year.

The superb quality of your musicianship, coupled with a variety of classical and folk selections, made for a program that was particularly informative and enjoyable.

At a time when orchestras are finding the need to interest and engage their audiences in a broader context of understanding about the music, the composer, and its culture, Russian Duo is already fully involved in providing this type of programming on a smaller, more accessible, and more affordable scale.

I wish you continued success as you share your music and your culture, and look forward to working with you again soon.

Sincerely,
